Hello Sgt. Siguenas,

Regarding the death of the 16 year old this morning. Would you happen to have the information for the head of household?
Wanted to see this family was connected to an FSC provider.

Thank you.

Jesus.

This is in Central Bureau, so adding Lakesha. We may also want to involve or at least inform the NELA team.

Also, saw this one <https://na01.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.lafd.org%2Falert%2Fdeath-investigation-01072019-ic01446> this morning. Not clear if the victim was experiencing homelessness, praying that they were not:

"8130 S Grand Av; LAFD summoned by LAPD to assist with management of (unk age/gender/affiliation/circumstances) human remains discovered in a burning (residential style) trash can on the street; South Bureau; Council District 9"

Lyndi,

Coming from Lt. Tingirides this morning at 5:59am,

"Notification of undetermined death in Hobk-16 yr old Vict. ACU enroute

104 North San Fernando Rd, RD 411. Inc 0030. Radio Call just came out after midnight.

Family living in RV, appears father put tarp over RV while trying to heat up inside which caused build up of carbon monoxide. 16 yo son (unknown name) has died.

Two other children also present in RV are stable but being transported for local hospitals.

Homicide is responding ACU and DCFS being contacted.

Could cause heavy media attention. Can LAHSA reach out to the family or do a winter shelter flyer campaign in the area?"

Please have your team response. Getting more info on family and will run on HMIS.

Thanks.
